

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at http://about.jstor.org/participate-jstor/individuals/early-journal-content.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

Entered as second-class matter February, 1908, at the post office at Los Angeles (Hollywood Station), California, under Act of Congress of March 3, 1879.
Issued from the Office of The Condor, First National Bank Building, Hollywood, Cal.

1913 Dues and Subscriptions

ARE NOW PAYABLE

Remember that both the business managers are very busy with their regular occupations and that there is no salary connected with ANY office of "THE CONDOR." The Condor work with all of us is a pleasure and is purely a matter of sentiment. Please help us all you can by remitting at once.

W. LEE CHAMBERS, Bus. Manager
Eagle Rock, Los Angeles Co., Cal.
